## What are you Here to do Now? Insights, Free Meditation, Sound Healing

Dear Friends,

A little info on current energies (yes, we are in the midst of a SuperMoon) and events like this weekend's [Candlelight Meditation Concert in Ann Arbor](#) a new workshop in [Evanston, IL](#) and a [New Year's Day Full Moon Phone / Online Meditation](#)

You are probably noticing an increasingly uncomfortable underlying tension...this coming Sunday's Full Supermoon is drawing past issues out of our psychological closet and into our visible world. Whatever you notice happening this next 7-10 days is part of the shared collective consciousness of humanity looking at itself and asking 'Is this pattern/belief/emotional reaction serving us all now?' Which leads to individuals reflecting and asking 'Is what I am concerned about in my life really where my attention is needful?' 'Is this really MINE to do now?'

Which all leads to the big question: What Am I Here to do Now?

### WHAT ARE YOU HERE TO DO NOW?

A sound meditation to locate, open and clear your built-in Spiritual compass.

[LISTEN](#) or [WATCH](#)

We are all gradually developing new chakras. The High Heart chakra, related to our thymus gland, (just above the Traditional Heart chakra), helps guide us upon the path that our Soul desires for us to choose in this lifetime. Here, at the High Heart, is where we hear the impulses of "stop" or "proceed" or sometimes even "no". Here is our built-in compass, available to us anytime we choose to use it!

This sound meditation helps you locate, open and clear your newly emerging High Heart chakra. This works with both the easily sensed front of the body as well as the aspect of the chakra where your guides and angels connect behind your back. This assists

you to reset the chakra (between your shoulder blades/upper back) and invite in your most potent guides and angels who support you.

Sunday, December 3 at 4pm (on the Full Supermoon)

## Private Healing Sessions

(offered in person or by phone)

Sessions include both information from your guides and angels, as well as healing energies to facilitate changes your Soul desires in your body and your life. This multi-faceted approach is notably deep and most people find that one or two sessions provides them with substantial, lasting and profound change. The kind of change that is so complete that there is little or no going back to the other ways of being.

In these healing sessions the spiritual foundation of who you are (the portion of your soul incarnating right now) engages with your body in a new way. This allows what does not reflect your Soul and body to be revealed, understood, and released. Simply put, the real world version of you catches up with the spiritual foundation of who you truly are. After the healing session your Soul, body and life will reflect each other more accurately.

### How Your Healing is Supported

I do not intend or focus healing so that your body looks perfect, or that your aura looks like it does in a book. My guides consult and follow your guides, asking at each organ, each chakra, each issue in your life; what is it that your body and Soul choose? What is your next step? And in this process, allowing whatever no longer serves your Soul's journey to be released.

A recording is made of the session. When you listen to the recording your guides and the healing angels will return to continue to help your personal inner understanding and release continue. Sessions are \$215 and last about an hour. Please be in touch with me to secure an appointment time. [office@healingchants.com](mailto:office@healingchants.com) or 734-330-3997.
