a Tiny but Mighty eclipse helps us to

Cultivate Peace

as a response to anger

The 3 New SuperMoons and 3 Eclipses we are experiencing this Summer work together, reminding us to cultivate much needed Spiritual Principles

Partial Solar Eclipse July 13 (water/SE Australia) New SuperMoon

Total Lunar Eclipse July 27 (Africa/Asia) Full Moon

Partial Solar Eclipse Aug 11 (Northern Europe/SE Asia) New SuperMoon

Dear Friends,

As I write this, the 'Tiny but Mighty' July 13 eclipse is sharpening the tip of the needle so that Spirit can prick the life-issue each of us most needs to address right now. Energies related to this eclipse started a few days ago, and will continue to build into next week. Whatever you notice happening in your life during this time is ready to change, and you are being urged to change it. Addressing whatever is arising now, allows for an easier transition as we begin to receive Sacred Masculine energies along with energies related to the next eclipse doorway on July 27. As my guides remind me, it is very hard to fill a glass that is already full...we must release before we can receive what is about to be offered to us.

Yes, I have [Private Session](#) spaces open this weekend and next week...

Here are some additional ideas about what is happening right now and in the near future that you may find useful:

Eclipses usually offer us doorways into ourselves. When we are within the arc of their energies (usually a week before and after) we can more easily feel issues in our lives related to the eclipse. Ideally, whatever we notice that is arising, we can change. And when we change, there may be a pulse of resonant healing offered out into our world.

July 13 is a partial Solar eclipse, tiny but potent, visible in the Southern Hemisphere. It occurs primarily over the Antarctic Ocean and a bit of Australia. It coincides with a New SuperMoon.

There are several factors that intrigue me about this eclipse, and have made me psychically look at it, and wonder about it even more!

It is not being paid attention to. We are being distracted, and hence our attention energy is being misdirected, to the Total Lunar Eclipse of July 27. Yes, this next eclipse is the longest of this century. But only by a few minutes. **The July 27 eclipse will open a doorway into a new consciousness. But it is this first July 13 eclipse that determines where the doorway of consciousness will lead us to.**

The blueprint for the doorway of July 27 is being constructed right now and during the next two weeks leading up to the July 27 eclipse. What is constructing this blueprint? Our responses (or reactions) to our external world. These are already building the doorway of consciousness we will step through on July 27.

I am also noticing that this first eclipse of July 13 is primarily happening over a vast expanse of water; the Antarctic Ocean, in the southern hemisphere. Every area of the Earth, whether it is covered by land or water, contains unique qualities. Every eclipse (or astrological configuration) interacts with that quality.

When an eclipse occurs largely over unpopulated expanses of land or water, what is drawn up out of the land or water reflects larger shifts in consciousness that humanity is ready to make. This July 13 eclipse is one such offering.

Water symbolizes the unconscious, the dream state, and a place beyond our mind's ability to extend it's intention. And our emotions. And the Divine Feminine.

What, I wonder, is held within this water in the Southern Hemisphere and is being brought into our awareness by this eclipse? Notice now what is arising in your life that is comfortable and less comfortable. These factors will lead you in the direction of recognizing what you are ready to change, so that you might be ready to receive the next wave of spiritual energies in the coming weeks.

My blessings to each of you who read this. Please know that your guides, your angels, your attention and time are all a part of the process of writing and drawing through information in these newsletters. Thank you!

-Norma

Private Healing Sessions

(offered in person or by phone)

Sessions include both information from your guides and angels, as well as healing energies to facilitate changes your Soul desires in your body and your life. This multi-faceted approach is notably deep and most people find that one or two sessions provides them with substantial, lasting and profound change. The kind of change that is so complete that there is little or no going back to the other ways of being.

In these healing sessions the spiritual foundation of who you are (the portion of your soul incarnating right now) engages with your body in a new way. This allows what does not reflect your Soul and body to be revealed, understood, and released. Simply put, the real world version of you catches up with the spiritual foundation of who you truly are. After the healing session your Soul, body and life will reflect each other more accurately.

How Your Healing is Supported

I do not intend or focus healing so that your body looks perfect, or that your aura looks like it does in a book. My guides consult and follow your guides, asking at each organ, each chakra, each issue in your life; what is it that your body and Soul choose? What is your next step? And in this process, allowing whatever no longer serves your Soul's journey to be released.

A recording is made of the session. When you listen to the recording your guides and the healing angels will return to continue to help your personal inner understanding and release continue. Sessions are \$215 and last about an hour. Please be in touch with me to secure an appointment time. office@healingchants.com or 734-330-3997. [Read more about private healing sessions here](#)

Here is a simple video, excerpted from one of my online courses. Oddly enough, it was originally intended as only an audio meditation. I decided to add pictures to clarify some of the ideas. And it turned out to be a nice mix of information and healing meditations. You can go to [Resetting Your Financial Guides](#) and check out the other sections of the course that are offered freely, and enroll now, at the discounted price. That price also includes a \$20 discount on a [private session](#) with me. .

ReSetting Your Financial Guide

This meditation includes insights and energy healing around financial disempowerment; focusing on releasing energies that cause us to feel over-whelmed and to over-work. It includes a healing song, as well as a spoken channeling from Mary (You are Enough), and a healing song..

One of the most interesting sections (to me) looks at how we use our personal energy to 'tune' our possessions. This allows us to define our 'stuff', but may also limit what we allow ourselves to receive in life,

I believe that what is happening in the external world always resonates our own inner issues up and out into our conscious awareness so that we might address them. As we understand more deeply our own wounds, we can more easily have compassion towards the wounds of others.

May what has been offered assist you in your journey,
Norma

This meditation includes insights from myself and my guides Archangel Michael and Mary, along with healing energies to easily open your body's natural connection to it's own Earth energies (also known as 'grounding'), while clearing old patterns that block your Soul's desire for you to create and manifest easily in your lifetime. I include a meditative song (Creating Comfort) near the meditation's end for use whenever you feel 'off' and the world feels 'off' and it's just too weird to put into words. Because when realities overlap and merge, our logical brains are pretty useless!
