Full Moon Meditation - Tues, Aug 20 at 9pm EDT and new healing song JOY! as [video](#) or [audio](#)

Dear Friends,

Since late July we have been experiencing an influx of Sacred Masculine energies into our planet. Much like adding dry newspapers to a fire, these energies intensify our ability to manifest emotions and beliefs as events and physical things into our lives. Both healthy and unhealthy aspects of ourselves are revealed by this magnified creation process, showing us who we were, the beliefs and emotional patterns of our DNA and social family, as well as who we are growing into being. Come, join me for an hour of reflection and meditation on what we are creating for ourselves and what it is that our soul would (perhaps like to) encourage us to choose to create.

JOY

(Quantas Sabes Amar)

As the Meditation Concert nears its close, all of the healing has been completed. Those energies, even guides and angels, that no longer walk the same path as that of the souls assembled in the room, have been released to follow their own evolutionary path. New guides and angels now populate the room, surrounding and supporting each person. Here is that song of welcome remembrance uniting and reuniting each person with those guides and angels who walk with them along the journey of their soul now.

A digital photo (in the video version) shows orbs floating near the floor and in the air before the concert begins. I believe these symbolize the conscious invocation of the

begins. I believe these symbolize my conscious invocation of the Nature Spirits / Nature Intelligences of the land beneath and the room at what they consider to be *their* level of unconditional love.

Meditation #39 from July 22, 2013

Grounding into Spirit

How to connect with those guides and Angels within the Earth and lower dimensions that support you.

A flow of spoken insights and healing songs from Spirit. Archangel Michael and the Hathors worked through me to create this experience of healing in words and songs. It includes many healing songs, improvised through me from Spirit.

A Note on Phone Meditations and CDs of Meditations and Teachings:

As of today, I have [39 Meditations and Teachings recordings](#) available. They cover all on different subjects, some are direct channelings from my guides, most often Archangel Michael, Mary, the Hathor Atamira, Thoth, Shesat or a group of Ascended Masters. Most of them invoke Sacred Space and then focus on an issue and provide time for your guides and angels to work with you energetically.

Many are drawn from the live Phone Meditations that I offer each month. About half contain healing songs or chants. All are offered freely as podcasts (you can subscribe directly on iTunes > Podcasts > Norma Gentile) or at cost CDs. At this time donations provide the funding for the free monthly (or so) Phone Meditations, the recording and editing process, posting them online and paying the monthly fee to maintain them online for free download. As of today, more than 40,000 downloads of these meditations has occurred. And chances are you have participated. Thank you! I know it is your energy that shapes each meditation and newsletter, and helps pull the information and insights that I share through me from Spirit.

I look forward to many more meditations, and many more downloads! And yes, please share these newsletters, podcasts and phone meditations with your friends, your email circle and others.

Private Healing Sessions

(offered in person or by phone)

I am very good at helping to lift off heavy energies and get chronic issues to begin to move. Any energy released goes home, to follow its own growth and evolution. This means that what is released does not return. And it means that those energies with awareness know that I mean to help them. In this way your agreement to "keep them safe" is brought to completion, because

they are released with honor and respect onto their next step. This is true of all energies, big or small, that your soul and body are ready to release.

Remember that any energy in your body or aura that is not in time or in tune with you will cause a slow, steady draining of your vitality. This leads to larger issues arising in the physical body, emotional overwhelm, and psychic cloudiness. A complete "deep cleaning" regularly can help you find, address, and release what is no longer yours to carry. This frees you up to engage fully with your own life's issues. (and yes, we can address life issues as well in the session).

A recording is made of the session. When you listen to the recording your guides and the healing angels will return to continue to help your personal inner understanding and release continue. Sessions are \$185 and last about an hour. Please be in touch with me to secure an appointment time. norma@healingchants.com or 734-330-3997. [Read more about private healing sessions here](#)
