Who does your Soul want you to be?

From a spark within our Hearts comes a magnificent knowing of our own soul. What changes are happening in your inner world to balance the recent changes in the outer world? Here you will find a meditation to open your heart and rediscover the sacred spark that lies within it.

Information from Norma's guides, (Thoth, Shesat and the Ascended Masters) provide a background understanding of recent events. These include the economic re-structuring, the election of Barack Obama to the US presidency, reincarnation patterns of the Soul Group responsible for founding the US (the Founding Fathers), and Obama's relationship to them. Two healings with multiple Tibetan Singing Bowls are also included.
