Dear Friends,

I will be in the Cleveland area over the weekend of October 8 - 9 offering Private Sessions. If you are interested, or know of someone who is, please read more below and be in touch. Don't forget the Free Phone Meditation this coming Thursday eve at 9pm. All are welcome on the call.

My best to each of you,
-Norma

I am very good at helping to lift off heavy energies and get chronic issues to begin to move. Any energy released goes home, to follow its own growth and evolution. This means that what is released does not return. And it means that those energies with awareness know that I mean to help them. In this way your agreement to "keep them safe" is brought to completion, because they are released with honor and respect onto their next step. This is true of all energies, big or small, that your soul and body are ready to release.

Remember that any energy in your body or aura that is not in time or in tune with you will cause a slow, steady draining of your vitality. This leads to larger issues arising in the physical body, emotional overwhelm, and psychic cloudiness. A complete "deep cleaning" regularly can help you find, address, and release what is no longer yours to carry. This frees you up to engage fully with your own life's issues. (and yes, we can address life issues as well in the session).

A recording is made of the session. When you listen to the recording your guides and the healing angels will return to continue to help your personal inner understanding and release continue. Sessions are \$185 and last about an hour. Please be in touch with me to secure an appointment time. norma@healingchants.com or 734-330-3997. Attending the concert or workshop helps to loosen up the energies from your aura before the session, so please plan to attend at least one event if you can prior to your individual healing time.
