A Candlelight Meditation Concert
Songs of Starlight and Inner Vision

**Songs from Spirit
and Chants of St. Hildegard of Bingen**

**This is a time of Sacredness,
devoted to deep inner healing,
nourishment and transformation.**

Norma's classically trained voice and her natural ability to intuitively weave music and spirit together come alive in the candlelight as she sings. This evening includes thousand-year-old healing chants written by Hildegard of Bingen, (the mystic, seer, newly proclaimed Saint and Doctor of the Church) as well as songs drawn through Norma from Spirit and her musical guides.

Come, meditate and let the sound bath you. You are welcome to bring meditation pillows.

LOCATION: Sponsored by [Interfaith Center for Spiritual Growth](#) 704 Airport Blvd, Ann Arbor MI 48108

COST: \$15 - \$20 donation at the door

SOUND HEALING VIDEO

Have a look (and listen) to a video with photos that captured spiritual energies moving in the room as I sang. This is from a recent Meditation Concert at the Interfaith Center.

For me music is a form of prayer, drawing from within us the peace that already exists. We can allow peace to be present on Earth, because it is already present within each of us. Within our hearts, our souls and our beings, we carry our unique connection to Spirit. As we feel it each day in ourselves, we will see it more in others.
