We as a race have raised ourselves in consciousness tremendously since we first consciously connected with our Healing or Reiki Guides. Even the most recent shift in how we perceive money has changed how we access information from our Financial Guides.

These beings wait for us to let them know when we are ready to 'upgrade' to a new level of connection with them. This workshop includes a process of clearing and resetting the natural connection to your Healing, Financial and Reiki (all lineages) Guides that reflects the vibration of your consciousness now. Practitioners who have done this process with me say they feel much more power in their healing, and deeper clarity in their own energy fields.

Saturday, January 16 Private Healing Sessions

Includes both information and energy healing from your guides and Norma's guides, Archangel Michael, Mary and the Hathors. Norma is very good at helping to lift off heavy energies and get chronic issues to begin to move. \$185, an hour, recorded for you.

Norma Gentile, sound shaman, incorporates both sound and energy healing into her private sessions, workshops and concerts. Holding a masters in Voice Performance and years of study with esoteric teachers, Norma is a natural intuitive and channel who receives information from Spirit both in written words and through music. She has recorded four albums of healing music, writes for Sedona Journal, and provides monthly sound healings for Drunvalo Melchizedek's online ezine www.spiritofmaat.com. Listen and see her local events at her own website: www.healingchants.com
