### **Sound-Energy-Healing Workshop**      **Saturday, April 27 from 1-4pm**

We will use sound, chant and toning in meditative healings, as well as share spoken information. My guides, typically Archangel Michael, Mary and the Hathors, will explore with the group how they each might continue to use the concepts within their own practice. In the moment someone commits to the workshop (or to a private healing session) both my guides and their guides will begin to work together, so you may notice changes ahead of the actual workshop day. \$35 advance online or New Renaissance, \$40 at door. Held at: be space, 211 SE 11<sup>th</sup> Ave

### **Private Healing Sessions**      **Monday – Tuesday April 29-30**

**Information and energy healing** to address chronic life issues as well as clear and release what no longer serves your soul's journey. One hour, recorded for you, \$185. Archangel Michael, Mary and the Hathor Atamira are Norma's primary guides who will connect with your guides to create your healing space. See website for more info.
