Norma Gentile, sound shaman, records for Lyrichord Discs of New York, as well as her own label, Healing Chants Media. For over 15 years she has combined a private practice of esoteric healing with a performing career. Her formal training in music (BM, MM) combined with her studies in esoteric healing have helped Norma understand how sound affects our ability to heal, and influenced her exploration of chant as a modality of healing. Her concert performances and recordings are unique experiences of this integration of sacred sound and sacred healing. Listen now at Norma's website
