This is a time of sacredness,
devoted to deep inner healing,
nourishment and transformation.

This day can be particularly deep energetically and as a result people often yearn to enter into a state of profound stillness. I know this state as one where inner transformation happens easily, while Sacred Silence surrounds you. The evening includes thousand-year-old healing chants by the medieval mystic Hildegard von Bingen as well as songs drawn through Norma from Spirit and her musical guides. Refreshments follow

*Restore your Spirit
to perfect harmony
with Divine Grace...
It is beautiful.*

*“Intimacy,
trust, and
abandonment
in God”*

*She carries us to depths and heights
that the soul yearns to explore
and where Spirit and soul soar in unison.
Hildegard is proud! ~ **Matthew Fox***
