**My guides (Archangel Michael, Mary, the Hathors) and I will share ideas about:**

- Incorporating sound to magnify healing modalities through group toning and breath.
- Ideas to help you connect with your guides with greater accuracy. This helps to avoid fatigue, may resolve chronic physical issues, and increases the clarity of the information you receive. We will do a meditation to release out-of-time guides and old family guides that ride in on the DNA

People who have done this workshop with me say afterwards that they feel much lighter and are able to perceive subtle energies around them more clearly. I share tools to discern what are genuinely your own emotional and physical body issues to heal, what belongs to another, and how to know when you (or they) are ready to heal them.

**Sat & Sun, May1-2 Private Healing Sessions**

Includes both information and energy healing from your guides and Norma's guides, Archangel Michael, Mary and the Hathors. Norma is very good at helping to lift off heavy energies and get chronic issues to begin to move. \$185, an hour, recorded for you.
