

# Re-Initializing Reiki

## A Reiki Forum for all lineages and levels

Led by NORMA GENTILE

Each Reiki symbol represents a quality of love. That quality is held by a conscious being. When you visualize the symbol, you connect to the being.

We as a race have raised ourselves in consciousness tremendously since the first beings in Spirit gave Reiki to the world. These beings wait for us to let them know when we are ready to 'up-grade' to a new level. Each symbol can be cleansed and re-initialized.

Norma will lead you through this process, which includes learning to create the Nature Sphere and using it to charge rooms with Reiki symbols.
