#### ALL ARE WELCOME

If you feel yourself responding to music or energy healing, and are drawn to explore physical healing, strengthening emotional responses, and deepening meditation, please come!

#### A NOTE FROM NORMA

I have always seen auras. As a psychic I 'see' how people connect to their guides, angels, and other people. I assist in clearing accumulated cobwebs and awakening the innate creativity and healing potential within each person.

I use my intuition, insights from your guides and angels, healing energies and music. I believe that our world is healed as each person heals themselves.
